Im Laura as in double bind... this is an email Blake sent me after i wrote him telling him i had breast cancer and had liked him. I was doing Yoga on sets before Blake told me he was getting into it, <http://lauraanntull.artistichope.com/acting/?p=765>

This is an email i sent him telling him Jeremy Gilbreathe tries to rape me. <http://lauraanntull.artistichope.com/acting/?p=798>

You see people could think im Laura bc i had ex boyfriends named Frank & Sam, but i have a Theater degree, Masters in Performing Arts, A law degree but i hate lawyers and politics and walked away from that ten yrs ago.

Im furious because i was tripped on the set of Goods with Sessions pay so bad i could not bend my legs for a week in 2008. 8 months later Gays Anatomy blacklists me. Patrick Dempsey Eric Dane apparently think they know my soul mate and dont believe im an actor or a lawyer. I was working 5 years making 20000 a year working on sets from 2003 - 2008. Im a legitimate member of the Union so now want to know if you and he are why im not allowed at AFI or SAG Foundation? I filed charges against the Union. Cali is my home, acting on sets is why i love life. I wont work unless i can be on sets. I was studying digital media and film making and i promised God id never work in an office, or with law if i beat breast cancer. Im going to be miserable forever bc your boyfriend and his friends like Assaf Cohen want me to date lawyers when i dont date anyone because i want to pay my own way, period and i wont look or work unless i know im not on a list because ive been slandered.

Im not nuts, i got a theater degree before Blake went to AADA and had my life destroyed because he painted me as a woman desperate to hold onto her man. I may have cancer again. Blake Shield has helped destroy every reason i fought it the first time. I want him to cease reading his play, performing it. And i demand to read it. If it paints me as a passionate love sick woman he needs to rewrite it and publicly publicize that the real Laura is a woman who will not date because she wants a career and to be respected as an actor. I want to be able to go where i want in this town and perform and create. I have nowhere to go and my parents are in AZ not back east and i hate them. This is my narcissistic father telling me to give up acting and die and calling me a socialist. <http://youtu.be/rSqSKjOsqnU>

This is me on the set of 24 when i had cancer. <http://lauraanntull.artistichope.com/acting/?p=795>

I was supposed to perform in Venus but i got jerked around and i was asked. Im sick of men using me and because they have pretty women and im not im required to move on. I love acting. I have nothing to survive on if im not allowed to act. Im a legitimate UNION member.

This is me. <http://members.calbar.ca.gov/fal/Member/Detail/207690>

This is me. A video i made about my Grandfather and our fight against cancer. <http://vimeo.com/m/35382740>

Are you why certain brits have been treating me like crap. Im in school in Santa Monica studying and i have school debt. I wanted to pay off that debt acting, working on sets. Just because im not pretty
