Mel Brooks: Don't Let Producers in the Editing Room (Exclusive Video)

<http://www.thewrap.c...>

Mel Brooks is responsible for some of the greatest film comedies in movie history. It's a list that includes "Spaceballs," "Blazing Saddles" and "Young Frankenstein," so he clearly knows the ins and outs of landing a punch line.

Visicon 30ft Jimmy Jib Camera Crane System + Pro Jib Body

<http://houston.craig...>

This is a 30ft Visicon Jimmy Jib system which is made in Turkey. I bought that model 2 years ago and works perfectly. Most of parts are compatible with Triangle. I have also Pro Jib only body without tripod. Cause Jimmy Jib Tripod is working well with projib.
