"An Unfortunate woman" now has 239...

Our page "An Unfortunate woman" now has 239 followers. For those of you who do not already know, I am the Associate Producer on this film and I will also play the lead role of Kathleen when we commence filming this November. This is a very exciting project for me!! :)

I just want to say a huge thanks to those people who have shown their support to me on this so far. It means a lot!

That said, we could do with some more help please...If you have not already done so, please extend your hand of help by way of either "liking" the page yourself and/or sharing the link with others for them to like instead. Every little bit of help counts and is never overlooked, so thanks so much in advance on this! :)

If you share the page, please be sure to let us know!! :)

Thanks guys and much love to you all. x
