And probably never will. PUBLIC EMBARRASMENT MY TUSH. I am a strong women who fought cancer while on sets. I got lost to the meeting. Ms Garcia well i heard her say that she would not want to be sitting on sets waiting for me. MENTALLY ILL - If I am it is only becasue wonderful people in this town dont get I was happy on sets with no desire to be a celebrity and wanting to work the rest of my life on those sets. I go to your meeting and there is RHODA Pell who is friends with people who are close to JEREMY GILBREATHE who molested me. then this girl who knows her comments that someoen is going down. I AM HONEST but I will not be forced to live a 1950s hosuewife LIFESTYLE BY ANYONE PERIOD. If I offended someone I wish they had the courage to tell me. As it stands I feel blackballed without a trial and frankly this is horrible. I love the industry but it has almost killed me. I will NOT QUIT and the only way I care about making money if it comes from ACTING and WHEN ACTORS take it awwy and pretend they are supposrtive- OH YEAH but only if yOu are PERFECt and only if you are together and only if you are a future MOM. THANK YOU BUT NO THANK YOU. I don't care about being embatrassed I played A WHORE ON DEadwood. i WOULD BE WILLING TO STRIP NAKED TO MAKE THE POOINT THAT WOMEN WHO HAVE MASTECTOMIES ARE STILL BEAUTIFUL. so FORGIVE ME BUT i THINK YOUR GROUP/S LEADER MS gARCIA IS A FULL OF IT. bye.

Laura, screaming and raging will get you nowhere. You are so filled with venom and anger, you are letting it destroy your soul, not to mention your career. I was raped, it began when I was 8 and continued for years. I have faced physical disability; I've never used it as an excuse to spew venom at others. I feel very sorry for you, but we gave you boundaries. That was a Board decision, not just Mari's. You were told if you posted another one of your rants on the group page, that you would be removed from the group. You ignored the rule, and you let loose the Kraken. You left us with no choice

but to remove you. You are not being victimized, you are playing the role of the victim. The LA Free Clinic offers free mental health services. Please contact them and get in for an intake asap. Take the first step on the road to happiness. Sincerely, Anne

I left my bag at the meeting and had to get it this morning and spent an hour talking to the host who was at the meeting who was shocked that i was not going to be at the next meeting and she saw nothing accusatory in anything i posted in the forum. When i am falsely zacucused and someone sticks a knife in my back yyou bet i will get angry, it is a valid emotion and not aa mental problem, otherwise half the ppoliticians lawyers. And some of the men who scream at the sag union merger meetings should be told they need help. As your production partner worked on bay ssets i sugest you and mariselda cease embarassing yourselvrs, lying about my coonduct and accusing me of bbad behavior when the bost would agree i was being honest is a dumb move on your part,

Considering that one of the women i met ws an ad on eli stone and rhoda pell who is ftiends with carol grant who hired the guy who molested me. Im getting a lawyer andthis iis one more example of my rights being violated. I removed you from my. Network and ii am sorry you were raped butthat is no excuse for anyone backstabbing me when all i did was friend mariselda, the only help i needis to beback on sets period.

Don't contact me again either and DO NOT TALK ABOUT ME IN ANY WAY NEGATIVE and make dane sure who ever came to you understnad I AM NOT THEIR ENEMY and they should have talked to me. I heard at least one woman at that group say something in passing about making sure someone was DONE and frankily I thought I was just tired and they were talking about something else. As an attoreny I am sick of slander and being the VICTIM. This is my way of telling you that what your group has done is not PROFESSIONAL. SORRY I AM EMBARRASSMENT but frankly I dont want kids if I cna't have a career first and I want not to be tied down at all but to travel and see the world. GOOD BYE. and by the way my first film edited and I DID ALL THE EFFECTS FOR IT. SO THERE.
