Your request to join Actors Acting was declined.

The person who declined your request said:

Laura,

Thanks for applying to be in Actors Acting.

I love that you are "determined" – that's fantastic!

What we needed to hear was "positive."

That would have gotten you in.

The serious tone of your application doesn't quite fit with our plans, but truly we wish you all the best of luck out here!

:)

Warmly,

Allen

## Jeremy Gilbreathe who is on your Myspace.

He got fired for Cocaine from Carnivale and one night took me out drinking and tried to put his hands down my pants. Telling you I am in a film that has won six awards is negative. I am sending this to SAG and to the FBI and to a friend of mine back in DC whose father is the son of the SENATOR OF HAWAII. Negative-you and Jeremy Gilbreathe have just been caught. I AM SICK AND TIRED OF THIS CRAP. THAT BASTARD FINGER FUCKED ME WHEN HE KNEW I WAS NOT INTERESTED.

I am making sure that SAG and lawyers I know back east know about this. Since I know that both JERemy Gilbreathe and Will Wallace are connected to TExas and Nick Stahls. My only question is do you party with Jeremy too, because my father is a former narcotics agent, or are you a Scientologist.

This was a test. I joined and then looked you up because I thought you looked familiar. Peace but I am filing with SAG for being discriminated against, and you just got your self in that complaint.
