@SillaciousVixen I never stalked anyone ever. I've never been desperate. Also Mike is on my FB. He knows we ended years ago. I care.

We are almost ready to send your report about @SucclentVixen

My phone died. I want to make sure you get this. This person is the same person who attacked me last June & threatened to slash my face. They called me Diablo blanco. They know im sick. This is negligent harm. This person needs to be arrested. I have hashimotos. Regardless of my financial situation we all have a constitution & laws protecting us.
