I am not the one who wanted to be a rockstar or a star at all. And I am not only an actress but studying to edit films and my teacher told me at one point I could have gotten a scholarship to OTIS- where some of the best art directors and designers have been taught- not bad for someone who has NO TALENT. I do not need individuals taking out their failures they made themselves onto me either. My dad blamed me for not being able to be a spy because he "had to have a family" and now you are what- telling your 125 contacts I am crazy thinking I will be a star when i just want to work. i worked for 5 years and people do care and do like me and even recognize me as an actress here. I AM NOT LEAVING and you need to back off because violating my constitutional rights to stay and work would make you and my father the biggest hypocrite of all. READ THE CONSTITUTION AGAIN- after all as a lawyer I swore to uphold it, and I am certain as a soldier so did you.

I have no idea how my father can walk into church after the way he has physically abused me and then lie about it.

You can not see that a woman can achieve what a man can. I AM NOT A FAILURE. I have 99 fans on facebook. 75 on imbd. I also have 600 followers on my twitter, including celebrities. For someone who doesnot get along with people and is unsuccessful I am certainly liked. MONEY IS NOT THE MEASURE OF SUCCESS- having people who actually care about you for you- fighting cancer twice and beating it- that is success. I WILL NOT GO BACK EAST I wanted to have a baby but only if I could stay in CALI and meet a man nothing like you or my crappy father. My soul mate is in Canada or London or here, no way is he in New York. GO TO HELL.

My entire life has been about ACTING and as far as I am concerned the fact that I have managed to shoot 2 webisodes and 3 shorts despite not being allowed on sets and one by a 12 year old girl that just won an award says something. I HAVE ACHIEVE MORE WITHOUT SITTING DOWN AND PLANNING THINGS WITH MY DAD LIKE I AM HIS SICK SECOND WIFE. I WILL NEVER RESPECT THAT MAN BECAUSE THAT MAN HAS NEVER GIVEN ME THE RESECT I AM DUE AS AN INTELLIGENT WOMAN WHO ACHIEVED A HELL OF ALLOT ON HER OWN.

The only time my knees do not hurt is when I am in the south or west and I am not going back to the east coast where everytime it snowed or rained i was in so much pain I could not sit still and could not move. Look at my law school grades you IDIOT- I had surgery my last year of law school and almost failed out. MY LAZY SELFISH I WANT TO GO ON A CRUISE AND NOT HELP MY DAUGHTER PARENTS DID NOT DO A DAMN THING AND I HAD TO TAKE CARE OF ME, GO TO SCHOOL, FIGURE OUT HOW TO GET BACK ON MY FEETAND I ENDED UP WITH A QUACK DOCTOR WHO TOLD ME HE WAS OPERATING ON MY MANISCUS? but then in the court room found out that was not what he cut out of my knee and I ended up getting worse and not better so within a year of the accident I was wearing a brace and trapped and i TOOK JOGGING IN COLLEGE. SCREW YOU. I am a success because I have had people actually LOVE ME FOR ME. AND NOT BECOME THE HORRIBLE POWER HUNGRY BITCH MY DAD WANTS ME TO BE,

I invited you into my home, took you horse back riding, took a tour of San Antonio, paid for all of it, and the thanks I got was a threat of a Restraining Order because I sent you an email to an address you posted online. Besides that, your emails all have your signature block which contains all of your online presence. I tried to be friendly but you made it clear you did not want any part of family. You fired the first "Screw you" round in this conversation. I am tired of being nice to you. From now on, you get to hear how I actually feel.

Really?! 75 fans on Facebook. I don't even have a Facebook page but I have 125 contacts in my telephone. How many of your "fans" can you call when you have a problem? The 600 followers on Twitter just want to see what crap you are spewing about the industry next. Which, by the way, is probably why you are banned from sets. You have always had a short temper. Oh, and by the way, my wife is one of your IMDB fans. Too funny that you list that as a measure of your success.

You want to blame me for your situation also?! That is fine with me. Blame who you want to. You sound like a 19 year old kid who just figured out he's not talented enough to be a Rock Star and now doesn't know what to do with his life. You have sent me dozens of emails, and they all say the same thing, like a broken record. You are spoiled and have had everything handed to you and the truth is that Hollywood is BEYOND your father's influence or money and he cannot buy you another Certificate or Degree to help you. How many of those certificates and degree documents that you sent to me were actually paid for by you and you alone with NO help from your parents? You actually sound Paranoid. Seriously?! You think your father has used his supposed contacts in the government to prevent you from getting acting jobs? That IS funny.

Be what you want to be. I don't care. More power to you. The truth is, you are a hyppocrit. You claim that all you want to do is work on Sets when what you really want is to be a famous actress. Otherwise you would go work in plays no matter your age. I am reminded of Irene Ryan who finally lived her dream of starring on Broadway at the age of 70. So don't tell me you would be happy being broke and just working Sets. You want the fame, otherwise you would take whatever opportunity presented itself. I am sure Broadway, or even off-Broadway, theaters could use your Photoshop talents for Playbills and posters and Sets.

Don't blame your family, especially me, about not knowing the tribulations you have faced. Remember, you told me you did not want to have any contact with your family and shut me out 13 years ago. How am I supposed to know what was going on in your life? Besides that, you and I were never that close anyway. So why do you even care what I think in the first place?! I guess its a two-way street, because I didn't get any well wishes from you the last time I deployed to the Middle East.

Bottom line is that I wish you all the success in the world. I hope you achieve your dreams. God knows I haven't achieved mine. But I don't blame anyone for that. I made the choices that put me where I am. You still want someone to blame. But the last thing I would be doing is cursing the people that are providing me support or disassociating myself with the friends that I did have.

I am grateful for that. I realized at that trip that there was no way in hell i was staying in DC where the marsh weather made me miserable. that was the first time I had been on a horse in almost a decade. YOU CALLED ME A FAILURE WHEN I HAVE NOT FAILED and my crappy parents call me up and leave a message how they

want to get me an apartment in AZ and what- keep me as their PET. I have fought to walk. I never thought I would climb a mountain again. I will NEVER run a marathon or RIDE a BIKE.

I do not need 125 contacts and if you are using those contacts to keep me from working or making it acting- then HOW EVIL ARE YOU. I worked my entire life to be seen as an actress. As I kid that is all I wanted to be, not to be broken and pushed back down and made fun of by my dad as the idiot, stupid or loser. LET ME KEEP MY HOME. I had days here were i would limp even. i spent my first years out here taping my knee under my clothes. You HAVE NO IDEA HOW MUCH PAIN MY LIFE HAS BEEN. GO TO HELL

i was happy doing background.i AM NOT INTERESTED IN PEOPLEMAGAZINE PERIOD. I DO NOT EVEN READ IT. I DONOT LIKE THEATER ACTING. IT IS BORING AND REPEATATIVE AND I SPENT 5 YEARS DOING NOTHING BUT BACKGROUND AND GOT FEATURED ALLOT BUT NEVER SAID HEY LOOK AT ME.

THE ONLY WAY FOR ME TO GET BACK TO BEING ON SETS IS TO BECOME FAMOUS BECAUE THE ONLY WAY TO MAKE THE MONEY AS AN ACTOR AND NOT EVER WORK IN AN OFFICE IS TO BE FAMOUS. MARFQUESSA MORLAND THE BITCH ON SETS WHO BULLIED ME WANTED TO BE ON THE COVER OF PEOPLE NOT ,ME.

I WAS HAPPY JUST BEING BACKGROUND GOING TO WORK PRODUCTIONS AND THEN DO SOME CHARACTER ACTING STUFF. I WOULD RATHER BE A BACKGROUND ARTIST THAN A KILLER OR A SOLDIER OR AN NRA SUPPORTER OR A LAWYER OR A BANKER OR AN ACCOUNTANT.

I THINK YOU AND MY FATHER ARE OBSESSED WITH MAKING SURE I DO NOT GET TO WORK ON SETS BECAUSE YOU ARE AFRAID I WOULD BECOME FAMOUS AND THEN YOU WOULD HAVE TO EXPLAIN WHY YOU ARE FRIENDS WITH A WOMAN WHO HATES THE NRA, IS A DEMCRAT AND VOTED FOR OBAMA, AND LOVES EUROPEAN MEN.

I SPENT 3 DAYS IN A 50150 AND THE PEOPLE THERE KNEW - NOT OBSESSED WITH FAME. I TOLD THEM i AM AN ACTRESS- NOT A CELEBRITY. SCREW YOU.

i TOLD HIM I WAS IN SCHOOL. i TOLD THEM I HAD TO SELL THE CAR. MY CRAZY MOTHER KEEPS SAYING- WHAT HAPPENED TO YOUR CAR. I SOLD IT, BOUGHT A SCOOTER, BECAUSE MY KNEES WILL NOT LET ME RIDE A MOTORCYCLE, CRASHED THE SCOOTER BUT IT WAS NOT MY FAULT AND I SENT THE POLICE REPORT BACK TO MD TO THE LAWYERS AND DOCTORS THERE. MEANWHILE THE INSURANCE AUTHORITIES HERE ARE TRYING TO SAY I GOT A TICKET, WHILE THE POLICE REPORT SAYS MY BREAKS LOCKED AND A GUY DROPPED SOMETHING THAT CAUSED THE ACCIDENT. WELCOME TO THE NEW AMERICA.

HOW DARE YOU? MY PROFESSION REQUIRES PEOPLE TO KNOW WHO I AM, EVEN LAWYERS THESE DAYS GET PUBLISHED IN THE PRESS. SO GROW UP AND WAKE UP TO THE FACT IT IS 2012 AND I HAVE TO DO WHAT I HAVE TO DO TO PUT MYSELF OUT THERE, BUT EVEN WITH FANS I ONLY WANT FANS WHO ACCEPT I AM ANTI NRA AND PRO VEGETARIAN VEGAN. I DO NOT LIE TO GET PEOPLE TO LIKE ME OR MY WORK. I DO NOT WANT PEOPLE WHO WORSHIP ME. I LIKE ME. BUT I WANT AND NEED TO BE A PROFESSIONAL AT FILM ACTING. IT IS WHAT I LOVE TO DO. YOU ARE THE HYPOCRIT FOR ASSUMING THAT BECAUSE I WANT TO BE A FILM ACTRESS I AM AFTER FAME AND FAME ALONE. FAME IS THE EVIL OF THE INDUSTRY NOT A BLESSING.

Hahaha....now that is funny. You missed this:

"Bottom line is that I wish you all the success in the world. I hope you achieve your dreams. "

So, quit twisiting my words around to match your demented rationale. Stop being so negative and thinking that everything is a personal attack. Success is getting up one more time than you get knocked down. If you don't like my criticism, do something to improve yourself.

And by the way, I am a registered Democrat myself, except I voted for Mrs. Clinton. I don't share your love of European men, but I have been to Europe (lived there for 9 months) and would love to go back. You have about as much influence of making that happen as I do over your acting career.

Good luck to you in all your endeavors and I hope you find fulfillment in whatever career you settle into.

As far as I am concerned, you have my permission to forget you ever knew me. If you keep up this negative banter to family, friends, fans, colleagues, etc., you will wake one day to find you have none of either.

WRONG....it was three days. We went to RiverCenter Mall, Hill Country Resort, and it didn't cost you a dime. But the money isn't the issue. The issue and the point is that the last time I saw you was 13 years ago, was nice as could be, and the next thing I got from you was a "screw you".

I did not get all those letters of recommendation from college where i practically lived for 3 years because i never went home by having a temper. check out my schedule. i did jan terms every year because i did not want to spend a week under the roof of my father yelling and screaming
 i live in a box in hollywood- one room- no luxury. none. how dare you. i am not spoiled at all. but i will never be ahppy again, and i will never have a man in my life if i have to be owned by the rest of your family and tell your wife to unlike me. i do not need family spies. period. it is not about numbers to me- but honesty and integrity.
 and i will not give up wanting to be on sets. i worked my ass off for years making minimum wage. i saved up to get a new monitor for my computer, rebuilt the inside of it, and I am going to school practically for free and only paying the studen services while i work hard to get good grades and I am depressed all the time.

I lost my boobs you asshole. i would have chosen not to survive if i knew you jerks were going to call me a failure and destroy my hope and dreams.

I am sick of this. I went to college on a full scholarship. My parents paid about 20,000 for grad school- private loans. And people keep acting like I am going to be irresponsible so they are not letting me work and it is not mentally healthy. I have to pay off my SAG card myself. My dad offered to pay it years ago when it was cheap- and i told him to go to hell. he keeps acting like I will not be responsible and then making sure i am not and it ENDS NOW. I have never failed at anything I WANTED TO DO. I finished three degrees. Passed the bar. BUT I WIL NOT LIE SO I WIL NOT PRACTICE LAW. Period. I am an accomplished actress, singer, poet, and writer. I just do not have money. But when I die the money would not go with me anyways. and if SAG by the way suddenly gives me my money back, that money goes directly to a loan I took out to pay my SAG member ship off MYSELF.

KEEP IN MIND i have a box of pay checks two feet thick from when I had cancer because in cali they pay over time after 8 hours so for me to make 23,000 a year, I worked many 12 hour days on sets sometimes working all night and sometimes having to leave one set to go to another one hours later. GO TO HELL. YOur are ignorant, controlling, possessive and I feel sorry for your kids because i for one would feel violated by you if you were spying and trying to dictate my life into my 30s. my mom was telling my brother he was going to grow up to be a good man into his 20s when he was technically already a man. he should have had his own place, had a girl already, be having sex and really living life.

Not be a spinster in an apartment near my parents. And I do not want a man with a steady job, suit and a pay check. SO THANK YOU RUSSELL. Are your friends with the lead of Dexter? I worked that show once and the director of the film I made just worked on it. I AM NOT A FAILURE. I would be working still if I had not been WRONGFULLY TERMINATED AND BLACKLISTED> I WILL NOT SERVE THE US CONSTITUTION IF I CAN BE TOLD TO COME TO WORK TO BE TOLD I AM ON A WATCHER LIST AND NEVER BE ON SETS AGAIN.

This is what I looked like and you know what I was attractive which is why I worked all the time but my parents want me to be an old HAG so what- I can take care of them- If I do that- NO FAMILY FOR me because this is what I WANT IN A MAN TO THE LETTER:

If I took out a personal ad: Vegetarian buddhist Catholic seeks tall, healthy, vegan vegetarian buddhist who likes hiking and acting and trees and is UK or Euro. I love Bowie/ rage against the machine and Sting- Brit Alternative. Not Ac/Dc. Must hate American Football and at least like basketball or deal with me playing. Like men built like basketball or soccer players. I'm ok if you are futbol not football obsessed. Must be single and emotionally available. Also can deal with me being gluten free. Love of film making/ theater a necessity. A bit earthy/artsy OK but not too extreme. J. Crew style OK. Love UK mod. I love scooters. REI membership fantastic. NO drugs- though wine is fine. I also want to row boats. Love dogs and horses.

MUST BE AN ACTOR not a celebrity and everyone I KNOW here WORKS ON SETS. A crew person from when I worked on Eli Stone is in Hawaii Now. SCREW YOU AND MY FAMILY. YOU DO NOT OWN ME AND if you guys had anything to do with putting me on a LIST- I did not fail. I am in several SHORTS as an ACTRESS and beat out 170 people for one of them.

YOU ARE THE FAILURE. I NEED PROTECTION FROM MY FATHER- NOT FAMILY WHO WANT ME TO FEEL LIKE HURTING MYSELF WHICH IS WHAT THE VERY SOUND OF MY PARENTS VOICE HAS MADE ME FEEL FOR YEARS. I HAVE TOLD THEM THAT OVER AND OVER. I WANT FREEDOM OF CHOICE AND IF I DO NOT HAVE THAT THAN WHY DO WE SAY WE ARE THE LAND OF THE FREE.

MY FATHER HAS BEEN LYING TO YOU.

Your Subject line was so funny I just had to read this one....

You're still emailing me?!?! I thought you didn't want to hear from me anymore.

Back in 2010 when I tracked down your email address, I wanted to ask you about an idea I had (not spy on you) and see if you knew anyone that could help me flesh it out, since you were in Hollywood....but you told me to leave you alone (after about 10 emails). Why would I be trying to jeopardize the career of someone I was going to solicit for help? Doesn't make sense. And, after reading the stuff you put online about your parents I asked them if they knew it was out there. But I never sent you anything else.

Then you sent me 15 emails in one day last month out of the blue. I asked you not to contact me. Twice. You persisted and I thought it funny and so I gave in to senseless arguments with you.

OK, I got it. You cannot work on Sets which is your love. Now what? Keep crying to everybody and every Social Media outlet? Just give up and complain on Facebook and Twitter about how the industry let you down? (I don't have accounts so I have no idea what you actually put on there). Do you constantly complain to all your friends about how your parents don't support you (even though they have paid most of your bills)? OR do you dust yourself off, take stock of where you are in life, and find another way? You have to let things go. Or your anger will consume you like a cancer and consume every aspect of your life. Look at your presence online, look at your emails to everyone, listen to your speech when talking to others. Is the focus on the positive or the negative? All I have seen is anger. Did your father get you banned from Sets or was it your anger, argumentative nature, and not-my-fault attitude that sealed the deal?

"Life will put walls in your way. Its up to you to figure out a way over, under, around, or through it. But if you have a goal on the other side, you have to do something. You cannot just sit down at the wall and wait until someone else helps you figure it out."

So go figure it out. Quit accusing people of things you cannot prove (I didn't say they didn't happen or that you made them up). Start focusing on the positive aspects of your life. If you don't want to hear from Relatives, change your phone number, quit emailing me, and DON'T CALL THEM. And quit looking for the perfect man. He doesn't exist. Try eHarmony.

That's it. I have nothing else to say to you. I had nothing else to say the last time and then you sent me three more emails. I really don't want to hear from you anymore. Go be who or whatever you want to be. More power to you. I am not, have never, or will ever stand in your way. But for the sake of God, Allah, Buddha, Scientology or whatever Idol you worship this week (I have Apatheism views myself), lose my email address.

I am filing a restraining order against my dad. NO TALENT Huh-- I just got invited to interview for a program that tons of people want because it would mean I would get to intern with a major network doing promos and get free school for a year and graduate with a certificate to edit. I AM THAT GOOD AT FILM MAKING but I DO NOT CARE ANYMORE. I HAVE NEVER FAILED AT ANYTHING IN MY LIFE. EVER with the exception of men but since I have never cheated and they did, I do not count that as failing either. I DO NOT CARE.

DO YOU KNOW I WAS HARASSED BY THE MILITARY TO WORK FOR THEM AS AN ACTRESS AND REFUSED AND I KNOW MY DAD WAS INVOLVED WITH THAT. SO don't. MY DAD HAS BEEN PULLING STRINGS ESPECIALLY WHEN THE PEOPLE INVOLVED are from VA where he used to work.

GOOD BYE RUSSELL. I think the USA sucks now when a woman as smart as me can be manhandled and bullied by the men related to her and i tell family I may have achieved something and if it does not involve guns or killing things my dad has a way of destroying it. I HATE MEN WHO BELONG TO THE NRA AND I HATE VIOLENCE.

I am not YOUR PROPERTY AND YOU SEEM TO THINK THAT I DO NOT HAVE THE RIGHT TO MARKET MYSELF WITH MY EMAILS OR SEND OUT WHO I AM. I WILL ALWAYS PUBLISH THAT I AM AN ACTRESS- I DID NOT WORK FOR A SCHOLARSHIP worth 120,000 to be who MY DAD WANTS. GOD MADE ME. AND I AM PROUD OF THAT. I would rather have struggling artists and actors in my life who care if I live or die or act than a father who only cares if I make money and does not care if I am miserable every day doing it.

NOW THAT I TOLD MY DAD- I will probably never get the call about the interview. I have been asked to audition with a work shop known to have some of the best in Hollywood- and I AM A FAILURE. I would be working NOW IF SOMEONE HAD NOT PUT ME ON SOME LIST AND BLACKLISTED ME. PERIOD.

EVEN THE BACKGROUND CASTING AGENCIES have me listed as members for life.

well I am sorry but if MY FATHER HAD BEEN HONEST WITH YOU he would have told you I was not happy. I was told I was on a watcher list by Disney and he kept telling me "how can I be an actress if I can not be on sets" and then telling me that he had nothing to do with it. I had a job that made me want to live. He comes to CA to work and then threatens me that I will regret not wanting to see him and the next thing I know I am pulled off a show I worked for 35 days, tripped on a set and have to fight to get back on my feet- i could not bend my legs for a week and my PARENTS are happy about it. THEY ARE INSANE.

FOR THE RECORD I THOUGHT THE MILITARY WAS INSANE. They wanted me out in the dessert in the heat and cold just a year after I HAD MY MASTECTOMY. DO YOU HAVE ANY IDEA WHAT THAT IS LIKE. I breathed and it hurt all the time. I have lost 4 years of my life and ages ten and I at the time was thinking maybe I would meet a nice working actor with similar tastes to mine and Have a baby. Now that is over too. SO YOU AND MY DAD who calls his obsession with me being a lawyer an being a rich one INSANE. Id end up back in DC making \$20 an hour half the year. No future. I THRIVES ON SETS AND IN THE ARTS. That is what I am trained to do- and if I can not be in the NEW UNION I will not be able to make enough to have my own family let alone anything to want to work for. GO TO HELL.

JUDGE NOT LEASST YE BE JUDGED so says the bible- but what does it say about how ignorant you are if you are going to cut me down and my father probably made some calls already to make sure i do not get into the program i want. i have been treated like their property, no different than a DOG my entire life and according to my dad I have NO RIGHTS> Well I went to law school and i know HOW SICK of a PERSON and DECEITFUL and DISHONEST and ABUSIVE that makes him.

There are men here to who are beginning to like me, the kind of men who might know other men who might want to date me and my daddy wants me gone because heaven forbid someone else love me but him. that to me is what is really sick about my parents and this country. girls need to grow up and have sex and make mistakes and LIVE. I want to leave the US. I have friends in Europe making movies now in animation. I have a friend who is the story board artist for Michael Bay- but I was treated like I HAD NO PLAN at all 4 years ago. NONE- but only because my ignorant FATHER would not TALK TO ME or LISTEN but to this day I do not know what he expected since there was no way Id find a job in AZ that would pay more than one in DC or LA, not when I am trained in THEATER and NOW getting trained in FILM.

From some behavior group in Texas. In 2007 I worked 35 days on Eli Stone playing a lawyer. I was PAYING MY OWN RENT AND CAR INSURANCE. My dad promised to pay my private loans if I finished my masters and I MADE HIM LIVE UP TO THAT PROMISE. I almost failed law school because of a car accident and my parents were not there. I had to be hospitalized twice for food poisoning. Had my appendix taken out and breast and knee surgery. MY PARENTS WERE NEVER THERE. LEAVE ME ALONE. I would not be in the horrible situation I am in now if you all had trusted me. A therapist here told me and I quote "you were the kid that always did well in school and never got into trouble." I told my parents I WOULD NEVER PRACTICE LAW. I told them I would be working on sets for the rest of my life PERIOD. I was working my tush off to study digital arts. AND DO NOT TALK DOWN TO ME ABOUT HOW TO USE ADOBE. I edit my own reels, and do my own marketing and graphics and built my own websites. IF IT HAS MY NAME ON IT ON LINE I BUILT IT. I MAY NOT BE MALE BUT THAT DOES NOT MEAN I CAN NOT DO MENS WORK which apparently now includes editing and graphics.

MY FATHER TOLD ME TO GO KILL MYSELF. I DO NOT WANT TO HURT ANYONE EVER. I WOULD HURT MYSELF FIRST BEFORE HURTING SOMEONE ELSE AND THE ANGER AT MY ENTIRE FAMILY IS TOO MUCH. I PROMISED GOD I SEE MY NEGLIGENT SELFISH SELF CENTERED YOU GO BE A LYING DECEPTIVE LAWYER OR ELSE DAD_ AND I WOULD END MY LIFE>

I told my father that I would never practice law because I BELIEVE IN GOD AND I WILL NOT LIE ABOUT WHAT I LOVE AND WHAT MAKES ME HAPPY. MONEY DOES NOT MAKE ME HAPPY. BEING ON SETS AND ACTING GIVES ME JOY, I DO NOT DO DRUGS- I had blood tests last week and I AM FINE.

I have two films in festivals right now. TWO. Playing two different characters and one directed by a 12 year old girl- we women can make movies.

Ask my father for an accounting from 2002 to 2007 of all the money he claims he gave me because I was making 23,000 a year and since banned from sets I have had to take \$1500 from him- what I would have made on sets and I was going to get certified to do photoshop to work with photographers and studio people here in Los Angeles when all I had to live for was taken away. EVERYTHING IN MY ENTIRE LIFE HAS BEEN ABOUT WORKING IN ENTERTAINMENT AND MY PARENTS HAVE NOT BEEN IN MY LIFE SINCE I WAS 18 and WILL NOT BE IN MY LIFE IN THE FUTURE, especially if they used me to boost their own ego or make themselves look like I was using them. We have not even exchanged christmas presents for over 20 years.

Laura,

Since all you want to do is act, no matter the pay, you want your parents and family out of your life, and apparently you have been barred/stopped from being able to work in any capacity in Hollywood, why don't you move to New York and get into Broadway Plays? Don't tell anyone where you are and no one will be able to contact you. You are 42 years old and no one can tell you what to do with your life. I guarantee you that your father has no influence with Producers or Directors in New York like you seem to think he does in Hollywood.Unless you just like having them to blame for your failures even though that hasn't worked so far.

I HAVE SEASON DEPRESSION AND hate theater. ALL THERE IS IN NEW YORK IS OFFICE WORK AND THEATER AT NIGHT. I AM STILL FINISHING A CERTIFICATE. AND IF I AM GOING TO SUFFER I WANT TO GO TO TORONTO OR LONDON WHERE ACTORS ARE RESPECTED AND PEOPLE LIKE ME. I HATE AMERICAN MEN AND I WANTED TO GO TO NEW YORK BACK WHEN I FINISHED GRAD SCHOOL EVEN HAD SCHOOLS UP THERE BEGGING TO GO THERE, BUT MY PARENTS TOLD ME THEY WOULD NOT BE THERE FOR ME IF I WENT, AND THAT I WOULD NOT BE ABLE TO SURVIVE.

I HAVE A MOUNTAIN TO CLIMB IN MY BACK YARD AND I KNOW NO ONE IN NEW YORK AND THE SAME CASTING AGENTS WHO RUN LOS ANGELES RUN NEW YORK. THE ONLY TIME IN MY LIFE I DID NOT WANT TO END MY LIFE WAS HERE ON SETS. IF I CAN NOT STAY IN HOLLYWOOD I WOULD GO TO HAWAII BEFORE I WOULD GO BACK EAST AND EVEN THEN WHAT AM I GOING TO DO IN HAWAII ESP SINCE I THINK ABOUT DOING ANYTHING MY DAD WANTS AND I WANT TO HURT MYSELF.

I AM TRAINING TO DO PHOTO SHOP. YOU STICK TWO FORKS IN YOUR KNEES AND THEN YOU WILL KNOW HOW I WOULD FEEL IF I MOVED TO NEW YORK. AND I ONLY LOVE ACTORS. I DO NOT WANT TO GO SOMEWHERE I CAN NOT WEAR JEANS TO WORK,. I WILL NEVER EVER WEAR A SUIT AGAIN. PERIOD.

i WILL NOT LIVE SOMEWHERE THAT I CAN NOT HIKE AND WORK ON SETS PERIOD. I WOULD NEVER EVER WANT TO LIVE IN A SMALL TOWN OR A CITY LIKE NEW YORK FOR ANY LENGTH OF TIME UNLESS I ALREADY HAD AN ACTING GIG LINED UP THAT WOULD PAY MY RENT FOR A YEAR OR ALL MY LAW DEBT. I LOVE LOS ANGELES AND I AM A BUDDHIST CATHOLIC AND NOT INTERESTED IN EVER BEING IN AN OFFICE AGAIN. PERIOD. YOU AND DAD ARE THE IDIOTS. i HATE SCIENTOLOGY TOO AND UNTIL I CAN SUE AND GET JUSTICE FOR BEING BANNED I WILL NEVER EVER SERVE THE CONSTITUTION. I WAS SCRED AND VIOLTED AND A MAN WHO MOLESTED ME STILL GETS TO WORK. I WILL REMEMBER THAT FOR THE REST OF MY LIFE.

HOW DARE YOU? I WILL NOT GIVE UP UNTIL I GET A LAWYER AND CAN SUE FOR MY RIGHT TO BE BACK ON SETS AND I WILL NEVER GIVE THE US GOVERNMENT A DIME UNLESS I CAN STAY HERE AND WORK ON SETS TO PAY MY DEBTS BACK OTHERWISE AS FAR AS I AM CONCERNED YOU, MY DAD, AND THE GOVERNMENT ARE THE ONES WHO PUT ME ON THE LIST TO BEGIN WITH.

I TOLD MY EX BOYFRIEND 14 YEARS AGO WHEN I FIRST STARTED DATING HIM I WAS COMING TO CALI AND I MEANT IT. I AM A WOMAN OF HONOR AND A WOMAN OF MY WORD.

LOS ANGELES IS WHERE I BELONG NOT NEW YORK. I AM A GLUTEN FREE VEGAN PEACE MAKER AND I AM NEVER GOING IF I DID I WOULD GO JOIN THE 99% AND SLEEP IN A TENT.

explain to me then why my dad told me how can i make it acting if i am not allowed on sets anymore. HE IS IN CHARGE OF THE ALUMNI ASSOCIATION OF FORMER CUSTOMS AGENTS FOR THE SOUTH WEST REGION WHICH MEANS HE IS STILL IN CONTACT WITH MANY AGENTS AND THE ENTERTAINMENT INDUSTRY WORKS WITH THE GOVERNMENT TO DO MOVIES LIKE THE TRANSFORMERS. BY THE WAY I USED TO DATE A GUY WHOSE FRIENDS WAS A FRIEND OF MICHAEL BAY AND I HAVE KNOWN HIS STORY BOARD ARTIST FOR YEARS. IF THIS NIGHTMARE HAD NOT HAPPENED HE STARTED TO INTRODUCE ME TO ART DIRECTORS WHO LIKED ME, BUT THEN I WAS TOLD I WAS ON A WATCHER LIST BY DISNEY AND NOW I FEEL AS THOUGH AMERICA IS NOT A FREE COUNTRY ANYMORE. I WILL NOT DISAPPEAR - NEW YORK AND BROADWAY- NO THANK YOU- I WOULD END UP WORKING AS A SECRETARY DOING CATTLE CALLS- THEATER IS NOT MY STRONG SUIT- FILM IS. IT WAS EASIER FOR ME TO WORK ON SETS AND COLD READ THAN IT IS FOR ME TO GET A THEATER AUDITION AND THE COMPETITION FOR THEATRE IS LESS OUT HERE THAN IN NEW YORK AND I HAVE NOT DONE A PLAY IN TWO YEARS. IF I WERE DOING PLAYS HERE I WOULD THINK ABOUT IT, BUT NO WAY. I KNOW PEOPLE THERE AND THEY ARE HAVING IT ROUGH AND THEY ARE YOUNG.

I AM 42, AND YOU KNOW WHAT MY LIFE WAS CUT OFF AT 38 RIGHT WHEN IT SHOULD HAVE BEEN STARTED. I WILL NOT MARRY UNLESS THE MAN IN MY LIFE IS A GOOD KNOWN STABLE ACTOR SO I KNOW HE IS SERIOUS ABOUT THE CRAFT AND DOES NOT TAKE IT AS A JOKE AND I WANTED A FAMILY AT 38, BUT I TOLD MY FATHER ONLY IF I COULD DO WHAT I WANTED.

IF NO ONE CAN TELL ME WHAT TO DO, WHY WAS WORKING ON SETS TAKEN AWAY FROM ME WHEN I DID NOTHING WRONG LIKE I WAS SOME TERRORIST AND MY FATHER WAS INVOLVED. HE CAME TO TOWN AND TOLD ME THAT IF I DID NOT SEE HIM I WOULD REGRET IT AND THERE WAS AN ACTOR FROM VIRGINIA WHO HAS TREATED ME LIKE CRAP EVER SINCE.

i spent the last 10 YEARS STUDYING FILM AND DIGITAL MEDIA. I GO TO NEW YORK I LOSE MY STATE CITIZENSHIP AND I WOULD WANT A SCOOTER IN NEW YORK NOT A CAR AND I HATE THE CITY. THEN I WOULD HAVE TO START OVER. WORK AND NOT GO TO SCHOOL, NEVER FINISH WHAT I STARTED WHEN I HAD CANCER,. SCIENTOLOGISTS IN THE INDUSTRY THERE WOULD CALL ME AN ANTI SOCIAL BECAUSE I CAN NOT FINISH WHAT I STARTED SO I WOULD NEVER GET HIRED BY THE ENTERTAINMENT INDUSTRY AND I AM NOW GETTING SICK ALL THE TIME, LIKE I DID BEFORE I GOT CANCER. I WOULD END UP DEAD IN A YEAR. AND IF MY CANCER CAME BACK I WOULD NOT FIGHT IT. MY FAMILY IS SICK THEY WANT ME WORKING SO MUCH THAT I END UP DYING YOUNG AND AT WORK I HATE WITH PEOPLE I REALLY DO NOT LIKE. i HAVE 98 LIKES ON MY FB PAGE AND HALF OF THEM ARE HERE IN CALI AND THE REST IN EUROPE. WHY THE HELL WOULD I WANT TO GO SOMEWHERE THAT I WOULD NOT FIT IN OR LIKE OR BE LIKED EVER.

\
SCREW YOU. IF YOU HAVE 100,000 TO GIVE ME SO I CAN PAY OFF MY LAW LOANS AND CAN WORK AT WHAT EVER I WANT TO HAVE NO STRESS- THEN I WOULD- BUT IF ICAN NOT FIND WORK THAT DOES NOT MAKE ME MISERABLE HERE THERE IS NO WAY I WOULD FIND WORK IN NEW YORK AND I AM PROUD TO BE IN CALI- IAM NEVER EATING MEAT AGAIN AND THE PRICES OF GLUTEN FOOD AND LIVING IS 2X THAT OF LOS ANGELES. I AM IN A RENT CONTROL NICE APARTMENT.

AN ACTRESS I KNOW IN NEW YORK IS DEALING WITH COCKROACHES 3 INCHES LONG. NO THANK YOU.

THINK ABOUT IT- I WOULD HAVE TO START PAYING 500 A MONTH ON MY LOANS ALONE AND MEET NEW PEOPLE AND MAKE NEW FRIENDS AND SOMEHOW UNLESS I FIND VEGANS WHO ARE BUDDHISTS AND WHO DO NOT KILL THINGS AND LIVE IN THE COUNTRY I DOUBT THAT WILL HAPPEN. I AM NOT MOVING TO A CITY WHERE I CAN NOT HIKE WHEN I WANT.
