I don't read much of the celebrity tabloid stuff. I never really did. It has nothing to do with [#acting](#). Living in an expensive house & getting your body made beautiful also has nothing to do with acting. Acting is using your imagination to bring characters to life.

@safhouse I got hired for Roundhouse because I got into @AmericanU and my teachers in Theater suggested I apply. This @giggigityy has the fucking sexual maturity of an 8th grader. And @jasonkravits was off Practice by the time I was hired @DylanMcDermott
