If I'm not gay how am I obsessed with Carrie? Obsession typically implies desire. I have not seen her since Spring of 2017. But I keep getting slandered because of delusional fan obsessed people like you.

I want to sue Carrie Finklea for having me abused. I have not talked about her. I did write a letter to George Clooney recently detailing what happened. Emails with Carrasco and Carrie who showed up in my script writing class when we had a guest from Fox.

I realize this is the final. I hope you take into consideration I have not missed any other projects and we are allowed 2 absences a semester.

Xiomarra and Carrie are aware I am not going to be there. I let them know two days ago. Things change and perhaps some day down the road I will feel more respect from Carrie but for now I cant.

Great job. OK here are my favorite Production companies for socially conscious films. I do not know if they would distribute but take a look at what they have made.

I think that Clooney owns part of this one. Participant Media. they Distributed "good night Good luck," a documentary about nukes which used footage of Clooney, and "Charlie Wilson's War" which tried to taft hartley me. not really relevant but caused me to give them a second look. I just saw "Page one" at the LA Film Fest. Fantastice. <http://www.participantmedia.com/films/on>

Focus Features- another indie house. Both are actually connected I believe to larger film companies. they are the creative film arm you might say. In fact, i think Focus is affiliated with NBC. they did "The American," "Jane Eyre," "Lost in Translation."

The two above are my favorite Production companies. Love their work and would love to work with them. Secret side dream. I have even considered applying for post internships with Focus.

Fox and other major companies have smaller companies like these affiliated with them as well. "Fox Serachlight" for example. Participant at one point was affiliated with Paramount I think.

Also this used to at one point be kind of affiliated with Participant. They used to have an on-line community but it folded over. this group might be a place to find contacts to actually help get the word out about the film. I'm a socail conscious dork. Plus I worked on Good night Good luck and a bunch of films like that with hidden socially aware messages. Someone invited me into the original group that Participant had. I truly love these companies. Start a campaign for Naked Angel.

**BaybeeM** @Freezesuckerx03

@LauraAnnTull You don't have to have to a college degree to be a good actress The reason why you are out of a job for 10 plus years is you belittle people like Carrie which you claim don't have college degree You are accusing Carrie of being a racist. Pls she does not look like the racist type

**BaybeeM** @Freezesuckerx03

@LauraAnnTull Look I never met Carrie in my life. I'm just a massive fan of hers. Why do you Keep blocking her on and off. If you can't stand her block her for good rather than unblocking her to attack her.

**BaybeeM** @Freezesuckerx03

@LauraAnnTull Emailing George Clooney. Are you okay? The guy is a professional actor. He has better to do rather than dealing with a unbalanced 50 yr old whose complaints can never be taken seriously and saying out of jealousy just because Carrie is the better person in every aspect than her.

**BaybeeM** @Freezesuckerx03

@LauraAnnTull How am I attacking you. I'm just defending my favourite actress whom you are trying to paint a bad image of her. I can't stand ppl who bully innocent ppl on social media just because they are jealous and insecure that they are better than them.

**BaybeeM** @Freezesuckerx03

@LauraAnnTull @XavierBecerra @SMC\_edu @LAPDHQ Blame the guy but not the Carrie and the people who knew him

**BaybeeM** @Freezesuckerx03

@LauraAnnTull @XavierBecerra @SMC\_edu @LAPDHQ It's never nice or funny when someone has been sexually abuse. Though I never met Carrie however she seems like the type who hates and can't stand sexual abuse. How is it her fault If that happened to you just because she knows people... that's sounds ridiculous.

**BaybeeM** @Freezesuckerx03

**BaybeeM** @Freezesuckerx03

You should have spoken to a real HR in the police

**BaybeeM** @Freezesuckerx03

@LauraAnnTull That's my point. You are unblock  
her so you can bully her by swearing, name calling
