I'm not in Encino? I hate the valley. Bad air quality and I have a yeast allergy. I was molested by a guy who lives in Sherman Oaks. I'd never move out there. Also Carrie Finklea lives in Sherman Oaks. I rarely go out that way except to shop.

They claim they are just a fan of Carrie Finklea but knew she did a movie with James Duval. I know James. I met him at Kelly Perines house. He was drunk. Kind of hit on me. I ditched him. I left when he went to the bathroom. I was sober and did not feel like dealing with a drunk guy. Later I saw him again at his film showing at sag foundation.

Thank you for the lesson in the workshop at Your **Studio** yesterday.. I have been off the horse for a bit. I have a better understanding of the character you gave me Ida after seeing the second scene and the comment about acting has a deeper more painful meaning.

I can not send a direct link, but there is a clip of me playing Louise on my **Actors** Access from Thelma & Louise. The setting was changed to a living room to shoot with a multi cam set up.
