Dear Laura:

The Admissions Committee for the Master of Arts Management Program has had the opportunity to review your credentials for admission. The Committee decided that it could not offer you admission to that program because they do not feel that you possess a sufficiently comprehensive knowledge of an art form, which is a basic requirement for the program.

However, given your strong credentials, I forwarded your application to the Admissions Committee for the Master of Science in Public Management and Policy Program at SUPA, and I am pleased to inform you that the Committee would like to offer you acceptance to that program.

I know that your interests lie primarily in the area of Arts Management, and I would encourage you to seriously consider pursuing the M.S. degree, as other students with similar interests have done in the past. It would be possible for you to take a number of arts management courses in conjunction with the M.S. Program. This approach could serve your career interests, and I am certain that you will find the atmosphere at Carnegie Mellon to be particularly stimulating and challenging.

I would appreciate hearing your acceptance by March 15, 1992. Please forward a \$100.00 nonrefundable deposit to hold your place in the Master's Class of 1994. This deposit will be deducted from your tuition bill for the Fall 1992 semester.

The faculty joins me in congratulating you. We look forward to welcoming you to Carnegie Mellon this fall. Please call me at [800] 877-3498 if you have any questions or if I can help you in any way.

Sincerely,

Dear Laura:

It is my pleasure to inform you that you are one of a small number of applicants at the School of Urban and Public Affairs who have been selected by the Admissions Committee to receive a W. W. Cooper Scholarship. Based upon your prior academic performance, standardized test scores, and letters of recommendation you have been awarded the W. W. Cooper Scholarship in the amount of \$5000 for the 1992-1993 academic year. You will receive the same amount in your second year at SUPA provided you remain in good academic standing.

Since this Scholarship is based solely on the strength of your *Application for Admission*, you may still be eligible for additional assistance based upon your financial need. To be considered for need-based assistance, you will need to complete financial aid forms that are available through the Office of Admissions and Financial Aid. After your need-based financial aid forms are processed and reviewed, you will receive a financial aid contract that will include your W. W. Cooper Scholarship along with any need-based financial aid for which you qualify.

I would like to congratulate you on behalf of the Admissions Committee and the faculty at the School of Urban and Public Affairs on your selection as a W. W. Cooper Scholarship recipient. If you have any questions regarding your financial aid or if you need additional information, please feel free to call me directly at (412) 268-2165.

Sincerely,
