Talk about bigotted, narrow-minded liberal snobs, your picture should illustrate the definitions in the next Webster's For Dummies.

I didn't send the e-mail to you, so bear no blame for your panties being in a wad. That being said, you can be assured that I do not intend to share my valuable transmissions with a vacuous being such as you.

John Seyle,

Hi Laura; I was surprised to get your e-mail and at first I did not realize it was from you as?I got it from Charles, too. I don't think Charles should have sent it to you, but I don't think he meant to offend you. Charles does not always take everything in to consideration when he does thngs so don't take it as if he meant to offend you. We love you and know that you need to make decisions for yourself, but someday you may realize that you are shutting out the very people who have helped and love?you most. love,
Mom

Subject: RE: DID YOU KNOW

How dare you send this to me.... California is my home.. not only that but as you know I am a breast cancer survivor.? If it were not for the doctors in California and thier abilities at giving women real looking breasts I probably would have not chosen to survive my cancer back in 2005.? This is the most insensitive horrific e-mail I have ever received in my life.? I love California.? It has its flaws, but I am learning that ignorance can be found on both sides of the continent.?? Women are defined by their breasts in our society, and frankly I believe ever woman has the right to do what they want to feel good about themselves, and no? man should be allowed to dictate that, especially if they have to lose their breasts to cancer, as I did.? As you know, I have bad knees and would be in constant pain back there anyways.? I never want to see you again for your insensitivity to my pain and my desire to make my home in California.? I define family as those who want me to be here I want to be and where I want to

be happy.? Not to cage me and subject me to degradation and pain.? I only want to make art and create films and pictures and act and use the creative skills and passions God put into my heart.?

Please do not write to me again.... I don't care if you are my relative.? I have told you before to not e-mail me.? I voted for Obama.? I believe in God, but not one that judges people on race, sex, or judgements in general are wrong.? This e-mail is a disgrace to any sensible and loving religion.

Peace and god be with Ye!!!!

subject: DID YOU KNOW

?

? DO YOU KNOW WHAT HAPPENED THIS WEEK BACK IN 1850---YES 158 YEARS AGO

?

CALIFORNIA BECAME A STATE.

THE STATE HAD NO ELECTRICITY.

THE STATE HAD NO MONEY

ALMOST EVERYONE SPOKE SPANISH.

THERE WERE GUNFIGHTS IN THE STREETS.

?

SO BASICALLY, IT WAS JUST LIKE CALIFORNIA TODAY:

EXCEPT BACK THEN, WOMEN HAD REAL BREASTS AND THE MEN DIDN'T HOLD HANDS.
