SOMEONE IS TRYING TO MAKE ME LOOK LIKE A REPUBLICAN. And FOX is sucky. SERIOUSLY by the way. KATE WALSH's ex husband is a FOX executive. JORDAN MARKS who is a PRODUCER ASSISTANT and LAWYER and I dated in 2003 when he was 19 and he works for the COMPANY THAT produced the MASTER with ARNE STARR. And I have 600 pages of twitter attacks including someone telling me that THEY CONTROL CONGRESS, ACTING WILL NOT BE IN MY FUTURE and that I need to plan for my future. WHAT FUTURE IF I DON'T HAVE ACTORS In it when I WILL NOT MARRY A GUY NOT INTO ACTING and if he is not GOOD I will not love or respect him. HELLO I AM A THEATER MAJOR. CRETIFICATE FROM AADA. ANd I have more recommendations for ACTING and have NO INTENTION OF BEING FORCED BY THE REPUBLICANS TO BE A WIFE to one of THEIRS. .

Someone is signing me up for Fox. I'm a democrat. Tom Quirk a democrat politician back in MD would confirm I've never been a conservative. My father's family in VA is. Kenny Inouye the son of the Senator of Hawaii also knew me as a liberal who worked for the Kennedy Center and WALA. This is insane.

Laura,

Someone is screwing with you. It is not me or anyone I know of? It is likely that it is someone who has read your posting and decided to harass you. I get e-mails from really messed up parties and I just delete them. I let it go for just a short while and had to delete over 1000!

You fucking screw with me. You told me You don't have this email. H jerk. I don't respect bullies. Including you. I am in actors union and I'm being denied the right to network with people who could get me work acting and working production. I would pay for acting classes before I'd go out to dinner with a man. And I'm not interested in men buying me dinner. I want to be in acting classes at AFI. I have to find a way now to make money to pay my debts and train I would not have to pay if I could take classes at AFI the best film school in the country for 35 for the year. Don't you get what your neanderthal I have to make it look like my daughter is a loser and incompetent has done. You did not pay for my camera and programs I bought to learn editing. Do you think I wAnt to edit knowing actors and republicans think I'm a wife not an actor. Fuvk you and McCain.

Hoshimoto disease since you asked me to spell it I am assuming you didn't know I had it. I don't need meds for depression I have cysts on my thyroid. They are causing my body to lose weight right now. I should probably invest in a scale so I can keep track of my weight. It explain why I look swollen sometimes. It is not fatal if not

left untreated but no one told me I had it. Irony is I need to be around the yoga health community here because they have solutions to it.

I don't think the doctors know what to do. At least not the ones I've been to so far. My heart palpatates, mood swings, can't sleep, but I still have a good head of hair. I'm eating right though. I need things like Brazil nuts, sunflower seeds, coconuts, walnuts, oatmeal, vegetables, all of which is part of my diet. And I think my body has known something was wrong bc I only want fruit first thing in the morning. After that I don't eat any.

Irony all the meditation and yoga I've been doing has probably saved my life. Hoshimotos isn't fatal if left untreated but it can kill if I don't eat right and lower my stress. I don't need the stress of a high paying government or law job. Let me be around actors. I could die from this. The person attacking me on line. Knew I had this. It can cause your joints to swell and you to lose your hair. How? How did they know?
