I did not do this and my drivers license is missing. ??? I'm a democrat. Tom Quirk a politician in MD knew me as a democrat. Grant Chambers also known as Resurrector in Santa Cruz knew me as a democrat. Cabot Spencer Davis a lawyer in Santa Cruz would be lying if he said I was a democrat. Please help.

Thank you for writing to the Los Angeles Police Department, <http://www.lapdonline.org/>. You would need to file a Stolen Identity Report at your local police department.

For further assistance or to file a police report, please contact the police station of where the incident or crime took place.

To find the police station that you need Click on "Our Communities" located on the left navigation bar on the home page. From there you may select the community in which you reside in or where the crime occurred.

If you are not certain which community you need you can input the address under "Find your neighborhood" It will automatically direct you to the appropriate police station.

Sincerely,  
The Los Angeles Police Department  
LAPDOnline Unit
