More good news. We tested the top of the descending triangle and it held up as support. What started off as a pennant turned into an descending triangle after bitcoin started to make a decline otherwise we would have probably seen an upside breakout already yesterday at 00:00.

lauraanntull I'm furious. Blake Shields is the Rose Room. This explains my troll attacking me. I thought that my troll might be with the Full Circle Church cult but I felt if I said anything it would just add to the I'm crazy gossip. But no. I needed to make \$ but I could not go against my values. I have not been employed since 2010 because of highschool blacklisting. Blake Shields is insane. So are any of his friends who were trying to get me to leave. Shields knows I was sexually assaulted & he & Carol Grant would rather have the guy who molested me have a happy ending. [@kippymiller](#) [@heleneudy](#) [@yovenice](#) Venice you make me sick. I trained to be an actor long before I knew Israeli Blake Shields. I'm an atheist Buddhist. I'm anti Israel dictating power in the middle east and bullying other nations and pro peace. I'm too ugly to be an actor Venice? Not Jewish enough for The Blake Shields cult. If you want to know why I didn't get a job- I'm handicapped & an intellectual. Not a waitress or a real estate agent. I trained to be in the arts and apparently the 1st Amendment does not apply to people born as Wasps.

I'm still terrified. I was blacklisted in August 2008. pre Obama. But Obama never helped me because I was blacklisted from a Rhimes show. I'm not getting a job unless I get hired as a SAG actor sag and not a fucking extra. [@safehousefilms](#) [@shondarhimes](#) [@kerrywashington](#)

I had a life I loved. I don't want a spiritual group to be a part of. I wanted freedom to be alone and on my own and doing my own thing. I didn't need a husband to have a child of my own. My life ended in 2008 when I was blacklisted by Disney

It needs to be said. Because I filled against Shonda Rhimes in 2014 when Obama was Potus and a guy I knew who played Jazz at his inauguration told me to find Jesus. I don't think I'll ever feel safe in America until God is out of Government.

We can't go back to just thinking the last 4 years did not happen and ignore all the damage done. Or for me last ten. There is no reason for me to fight to live now that I'm not going to have my own kid.

I even have a letter from [@KamalaHarris](#) office telling me to go to the police when she was DA right before she became Senator. But the cops were being used to terrify me and harass me. It took a celebrity getting killed by a cop on a wellness check for LAPD to stop the abuse.

On Inauguration day he blocked me to let me know because I'm white and not Jewish I could spend ten years blacklisted and bullied and won't get justice. I wanted acting so much that I don't want to live anymore. I can't write or function. I was blacklisted on lies.
