Re: Hi

Hi, no you don't know me. I saw your posts on Luke Mably's page and I liked them a lot. That's why a send you a request.
Half of the people on my fb, I don't know but with some of them I'm sharing a lot of positive and beautiful things. So it doesn't matter to me they're not my real friends, that's my way to keep it real too.
I like a lot you send me this message. I respect what you say, I wish you love and happiness and I will take you off my FB. I don't want to force anything.
Take care, I think you're a good person.

Re: Hi

Thank you very much!! I feel honored because you take a chance with me. We all are so , so strong, we forget this and get scare, i understand that people can be very scary even evil. They just lost their way.

I've met people in my life that hurted me really really bad, but i don't loose my faith in people. We all are scared and searching for our way our meaning in life.

I get your concept about FB, it can be fake, but it also give us chance to meet many wonderfull people.

Thanks again, and we will stay FB "friends":-) take care!!! Namaste

My friend is a co-star in this film. he is a brit. his wife and he run a shakespeare theater here in Los angeles. The movie is really beautiful. It is about a woman overcoming abuse. I met the woman who wrote, and stars in it. They are looking for a distributor which will hopefully happen soon and also submitting to film festivals. It started out as a writing project with Sundance.

Check it out. I thought you might be interested. And I think the more women who know about it the better. I think it could help women see they can overcome. I met some of the cast too at an after party after a viewing. Good people all around. <http://www.facebook.com/pages/PERFECTION/56530103158>

Hope there is peace in your part of the world. The whole Egypt and Algeria thing is both inspiring and frightening at the same time. How do people over there see it. There are planned rallies here in LA next month.

I kind of thought they were just a fan too, but I also guessed correctly you liked it. the story line is very complex and well written, rather different than what I expected and the acting is really good. I cant watch that show until it streams which takes about a month. Take care yourself. Peace.

Hi Laura, i love the show too. And i think it's very cool you had an audition. I am not friend of Ian Somerhalder, I'm sure this person is just a fan of his. Take care.
