

Let me take them. I never attacked anyone, I was tripped on a set. I had my toe smashed at a theater. I was sexually assaulted and also harassed. I am being real. I am not pretending to be someone to get attention or to be a celebrity. IF that were the case I would start eating meat and use pantene shampoo. I would do what all the celebrities do in adds on TV. I have a theater degree and a MA in performing arts, but I was training to do digital media. If this survey is right than the people running the UNION have been taking away my dreams and ability to act and I don't know why? They know something I don't? Like I don't deserve to stay single and not get married? I don't want to be a housewife. I want to be an actor and film maker. The UNION is not even responding to my request for information on self promotion and production. if I make my own movie I assume their silence means it is OK and they can't tell me I have broken RULE ONE. Otherwise their silence to me is entrapment. I have 600 pages of twitter attacks of someone wanting to hurt me since last may. they started at the same time I receive an email from ARNE STARR accusing me of attacking people. I heard a rumor some Hispanic man had a knife on the set of GRAY"S. I am not Hispanic or a man. I never attacked anyone. I am VEGAN and hate guns. I have played a cop on TV. My father was DAVID TULL of Sahuarita, AZ. He abused me. He is a former SPEICAL AGENT FOR THE GOVERNMENT. we are not friends and he never approved of me acting. THERE ARE PLENTY OF ACTORS WHO HAVE GONE THROUGH THAT WITH THEIR PARETNS. I should not be excluded from events because of RUMORS and LIES of a jealous man. my father or Arne Starr, who could not stand I was doing digital media. The twitter attacks:

I did all these events but I can't anymore because I just asked a question to KATE WALSH from the audience. <http://lauraanntull.artistichope.com/acting/?p=1749>

This is the Sag meeting I went to and the security guard who stopped me after I was checked in. WHO DID NOT WANT ME TO HAVE A VOICE? ASSAF covering up that his friend DAVID LAWRECNE wanted me so he told people I wanted BLAKE SHIELDS out of jealousy.

And Why MR HOWARD is Blake Shields on my INSIGHT TIMER? WHY?

I have seen him three times since 2005. That is it. I have lived in Los Angeles for 13 years and worked on 200 productions as background full time from 2003 to 2008. I was told to come to set to be told I was not on a list by DISNEY because Demspey and DANE did not believe I had a law degree. I am resigned in California. My bar number is 207690 and your wonderful leadership- CRABTREE IRELAND

and WHITE had me put in a drug rehab facility for three days because they did not believe I was a lawyer either.

My medical records from my hospital stay. NOTE MY HIGH TSH. I had and have Hashimoto's disease. I am sick and what your leadership did and is doing should be criminal.
