lauraanntull @miggzb8 i have no interest what so ever in being a teacher unless you want me to tell the truth. I will fail all good looking people just for being good looking and tell all the unattractive kids they should just give up because the 1% want them to be their pansy and slaves. I will not be a school marm or wife. Id rather be acting than dating and i do not care about a future if i cant be an actor. I hate men who disreslect women and their career goals. Do nkt ever come any where near me.

By the way my ancestors on my fayhers side built Tulls Corner in Maryland. However my mother was a Cater as in June Carter Cash & Presley. I may look white. But im part Cerokee. Yeah this white chick is part Native American Indian. Wake up to 2017. Things are not as simple as black vs white. Im not diablo blanco. Im.a mestizo. And im proud of it. I even have cousins who are part mayan and one cousin whose mom is full tribal cherokee.
